*I'm smiling on
the roof of heaven*

...my first one.

*Why are there so
many people here?*

*It is the highlight
of the festival - the
Vintage Auction
opening ceremony*

*It is an event that
hosts several shows,
so they're short on
stuff at the moment.*

*Thanked
at long last,
welcome, you.*

*Just pretend to do
something and slip out
how splendid it is here.*

Thousands bless me
with their songs...
and congratulate me

Vicepent VIP Lounge

"Are you
sure Prince Vesper
invited us?"

"He's quite
late, too."

"He's the
prince..."

"I heard that
he's going to visit
the City Hall before
coming here."

LUNG-FLANGA!

Only twelve
pure-blooded rTrooms
in this year's sacrifice.
That's a waste too low.

I don't want
to rise above, either
high. It's way too hard
being a noble trader
nowadays...

Oh my, there are I
much from Blackend
the year here?

You, Vesper
have much output
the year.

See I like too
little thought?

Maybe
think you for

your company.

Why isn't the
wine here yet?
So I need to spend
my sleep?

Excuse me,
we've brought
the wine...

What took
you so long?!

Who taught
you, anyway...

...?

Excuse me...

There is no meaning
in life without you

I never thought Karin
would let her baby chicks
leave the nest.

Our meeting wasn't for
free. Why don't you spare
me some of your time?

*You are the only
reason why I exist.*

...?

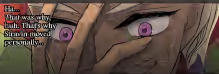

Capture
them!!

Drag both
of them back
here alive!!

I'll teach them
what it means
to mess with the
Tien family!

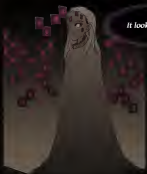

I'll gouge their
eyes out!

Ha...
That was why,
huh. That's why
Siren missed
personally...

I forget...

Haha... ha...

It looks identical...

to that "thing"
underground.

*She made some
slip of her little slip*

*I'm so sorry!!
Excuse me!!*

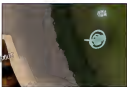

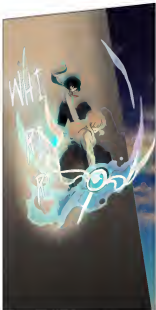

LUNETHINGA

Lady Reana,
that window will
take us outside!

A human fall

This is the fourth floor, isn't it?

They're

Are They Constructors?

OTHER THAN THAT,
HARD PLACES AREN'T, THEY
SUCCESSFULLY MODELLED THEM
MEMORISED THEM, REALLY, TO
BEYOND CHANGING US

A knowledge of the
you are going to

Let us get out
of here, fast

Yes, thanks.

I'll have to
apologize to
Mrs. Pinner
later.

*As the chance of your success
increases, so does the*

Let's head
towards the
bridge.

WONE MANGA!

*Jump and throw
large stones to me.*

What the hell
is going on?

Should I chase
after them?

No, wait. That sounds pretty fun too,

Overstayed
her welcome
in going off!

but there's a bigger event in store for me.

This leads to
the VIP area.

You cannot
enter with such
clothing.

Yes. They'll enjoy this event as well.

As Lincoln once said,

FLUTTER

all life born
in spirit...

Ah, I'm
so sorry!

TAP

...?

It's not like

*that it takes a
long time.*

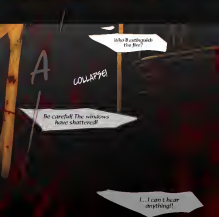

*and with the
new world to come.*

LONE MANGA!

BEFORE "DEATH".

Mmmm

W... wait!

The fr...

The an...

Humana...

Don't...

There's...

Stop...

Oh, and...

By the Gods, who
did something
like this?!

LONE MANGA!

It's certainly a
large scale. There's
even a fire after the
explosion...

It'll be hard
getting in there.

Oh, wait!
My daughter
is in there!!

WHAT IS THIS
DISASTER?!
